Dear Murli Dhar Gaur,

**EXCELLENT WORK ! YOU ARE A TRUE NGO.**

We at JOHNSON & JOHNSON are very happy with the enthusiasm your organisation has shown in conducting "HAP" (Heart Awareness Program). As promised to you we are sending the additional information, so that you can conduct the program as soon as possible. This information will benefit you more than any financial assistance which we would be unable to provide.

Following are the Three Easy Steps for conducting a successful "HAP" (Heart Awareness program) :

- Step 1 - Correct Information provided by us can be distributed.
- Step 2 - Participation by Doctor's & area GPs (General Practitioner) who can give talks on Heart Awareness.
- Step 3 - Collect as many people from your area to give the information from the above so that they live Healthier, Better & Stronger Lives.

Please provide us with Photographs of your program along with date & report.

**5 EARLY SENDERS WILL GET A SURPRISE GIFT!**
